Candidates In Final Day of Campaign

Voting Deadline Is April 6

April 6 is the final day to vote for the new Student Council Officers. **SHAVINGS** would like to give students one more opportunity to acquaint themselves with the candidates, their aims, and resolutions.

VINCE CHIARO, who is a candidate for the office of president of the Student Council states that his platform pertains mainly to the correction of what we now have and not the expansion into new fields that someone else will be troubled with later.

He plans to revise the present constitution to fit our type of institution. "I also plan to hold regular monthly meetings," he stated, "and to continue in **SHAVINGS** the article, 'Student Council Corner' on a permanent basis." He also aims to bring to life the intra-club committee which consists of all presidents of the various clubs and a chairman appointed by them. He will also strive to promote student projects and to provide unmatched leadership through improved communication and increased cooperation from the students.

Candidate for Student Council secretary, **TOM KUCKTA**, states that he will make it a point to represent the whole of the student body, from the freshmen to the senior classes. "I would also like to see," Tom stated, "an effective tutoring service established." Generally, the service consists of the following: Those students having difficulty in their studies could be tutored by qualified upper classmen."

He would also like to see the Student Council sponsor a charity drive each semester.

"If I am elected to the office", he

asserted, "I will, with the best of my ability, perform the duties of the office and, in so doing try to contribute to the success of the Student Council."

In his convocation speech, **ED LATEK**, candidate for Student Council president said that the Student Council must move ahead since the Calumet Center is now growing so rapidly." He presented his platform of five major adoptions and asked that everyone show his interest in school affairs by voting in the Student Council elections.

Ed's campaigning has consisted in posters, letters to the students, and a "get together," held Sunday, April 1, of the type he proposed for next year in his platform.

At the convocation, **HERMAN JERRY** introduced himself as a candidate for the vice-presidency of the Student Council. He then outlined his platform of five major points. Most of his campaigning has been in the hanging of posters.

MARY STOKES, candidate for Student Council secretary, stated that she feels she is qualified for the position because of previous experience. She believes that there should be much more school spirit than there is and she will attempt to rectify this. "If I am elected," Mary stated, "my principal aim

"Michayuka" Set For June 2

"Michayuka" is the theme of the annual University Ball which is scheduled for June 2, to be held at the National Guard Armory on 173rd Street, three blocks west of Kennedy Avenue. The bids are \$6.00.

Bobby Christian and his orchestra will supply the night's entertainment.

The ball is being sponsored by the Indiana Extension in Hammond and Gary, Purdue, in Hammond, and Saint Joseph's College.

Each school is assigned a certain task to perform for the Ball. Saint Joseph's will handle all financial matters.

The girls are asked to wear semi-formal dress and heels. The boys are to wear either a dress suit or a tux.

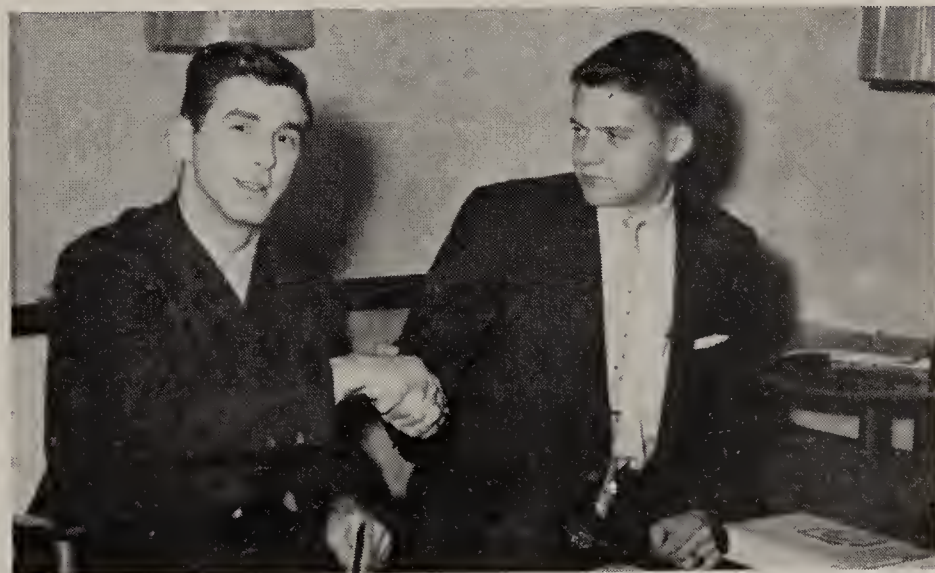

Students Urged To Attend Movie

All students at Saint Joseph's College are urged to attend the last cultural series, "Oliver Twist" which will be presented on April 7, at the Whiting Community Center, Whiting, Ind., at 8 p.m.

Not only members of the Fine Arts Club are urged to attend, but also students engaged in any English or literature courses. These movies are very beneficial to the average person, not to mention those engaged in related subjects.

Since the attendance has been poor so far, we hope to find a distinct increase in patronage for this last showing. The movie will be entertaining to children and adults alike.

May the Best Man Win

VINCE CHIARO (left) and **Ed Latek** (right) shake hands as a preliminary gesture of courtesy before beginning their campaigns for Student Council president.

Class Elections Dated for April 9-13

Class elections will be held April 9-13 and will encompass the instating of new officers in the sophomore, junior, and senior classes.

As tomorrow, April 6, is the deadline to file petitions, students with a 2.00 index should seriously consider if perhaps it is their job to take over a presidency, a vice-presidency, a secretarial, or a treasuryship in their class ranking.

Finishing up the Student Council elections tomorrow, students step

right into the beginning of the class officer candidates' campaigns. Let us hope there are some candidates to campaign for!

Students Predict Victorious Candidates

Who will be the new president, vice-president, secretary, and treasurer of the Student Council?

SHAVINGS, in a recent poll taken of students' opinions on who they will or have voted for brings us to this straw ballot prediction:

President—Ed Latek

Vice-President—Herman Jerry

Secretary—Tom Kuchta

Treasurer—Julian Perez

Editorial

The students of Calumet Center are in midst of elections, Student Council, and class. Every student is allowed one vote for candidates of each office.

Just as officers have an obligation to direct all their efforts to a better student government, so too the students have an obligation to vote for the most able and qualified candidates.

By voting, students display their interest in affairs. They show an attempt to secure the best representation not only for themselves but for the entire student body.

All too often elections turn into popularity contests. Students should not merely vote for the person whose name is most familiar. If this is done the results sometimes find unqualified candidates thrust into office. SHAVINGS has heard students declare voting intentions before candidates have declared their platforms. How can this secure the best officers? You only have one vote, so make the most of it.

The candidates who are elected to office are obliged to direct their efforts toward school harmony. They will act as intermediaries between students and school administrators, and must reach conclusions favorable to both groups.

Many demands are made of officials and cannot be shirked. Once elected, the officer's time belongs to those he represents and not to himself. Our leaders come into positions of praise and criticism. Praise will be showered on those who fulfill duties of their office and criticism will pour onto those who become lax and restful on their laurels.

The president, vice-president, secretary, and treasurer work with class presidents. This year's Council was held back by certain members "resting on their laurels," but those who worked, worked hard. Next year, SHAVINGS will again try to work in conjunction with the Student Council. Our primary purpose is to relate exactly what the Council is doing.

Sophomores Plan Get Together May 1

On Friday, March 23, the sophomore class officers met for the final time this semester. The purpose of the meeting was to plan a final event of the semester. It was decided to have a "get together" May 1, the day following the end of final exams.

The "get together" will be held in the first floor lounge and the art room. The lounge will be used to show a movie of last year's "Roaring 20's" party. A dance will follow the movie. Refreshments will be served in the art room.

Donation will be \$.50. The party will start at 8 p.m. and last till midnight.

Strikes & Spares

In a battle for first place, between the Wallopers and Thumpers, the Wallopers opened a two game lead over their nearest competition by breaking a first place tie with the Thumpers. They belted them three straight games.

The leaders accounted for thirteen straight marks as a team in the third game. The streak was broken by a split.

In other action, the highly touted Bombers dropped two out of three games to the Pin-Men who now have taken over second place. The Bombers have many of the league's top bowlers on their team but reputation doesn't win games as they found out.

Individually, Jim Kick took honors for high game with a 193. Scores were average from 10-15 pins of their average. Harry Bigda was second with a 185 game. Harry took all bowlers for a high series of 497. There was a long line of bowlers who deserve mention for their series totals: They were Bruno Marszowski 493, Jim Kick 487, Tom Cardis 487, and Wally Keilman 484.

The "booby prize" winner of the week is Ron Sutch who rolled a 100 game to out-do Al Stisser, 111, his closest competition.

Commerce Club Visits Brewery

At 9:30 a.m. today Commerce Club members began a field trip to the Schlitz Brewery, Milwaukee, Wisc.

Boarding the bus at St Joe's, the group arrived at the brewery at approximately 1:00p.m. A 45-minute tour of the brewery then began. Afterwards, refreshments were served.

Besides members, anyone interested in the excursion was welcomed to come. The tour was \$2.50 per person.

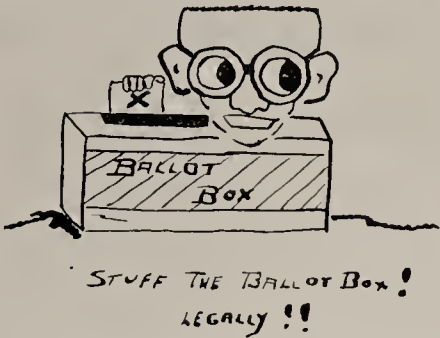

Retailing Class To Tour Lewin's

"Examples speak louder than words," this statement has been adopted as procedure by Mr. Lewin, Instructor in business administration here at the Center.

Several periods of Mr. Lewin's retailing class will be in the form of tours through Lewin's Apparel Shop in East Chicago. The final tour will be climaxed by lectures and a luncheon in Mr. Lewin's office.

The first tour already completed, took place on April second. During this first visit to the store, special attention was given to the operations of the receiving department. A general tour of the store was conducted by the Instructor's brother, Mr. Kenneth Lewin.

Mr. Lewin is of the opinion that this type of authentic instruction will be more profitable to the the students of his retailing class than lectures in the classroom.

Mr. Smith Speaks To Phi Tau Alpha

Recently members of the Phi Tau Alpha of Saint Joseph's College Calumet Center traveled to hear Mr. Smith, member of License Commission of Indiana State Board of Education, speak on the revision of license requirements for teachers.

His speech had a six fold purpose: Teacher preparation, reorganization, salary, teacher aid, special education and the necessity of knowing the student.

Mr. Smith stated that there has been a change in requirements necessary for acquiring a provisional license. Presently a provisional license may be had for five years, this may be renewed for two years of twenty hours of graduate work has been taken during that time.

As for the future work of the State Board, Mr. Smith said that there is hope and need for a Northern Indiana University. The Board is also going to set penalties and make schools reorganize for better salaries and greater security for the teacher in his position.

In conclusion Mr. Smith stated "it is better when we recognize the difference between moderate and good teachers."

Voting Machine Used For Elections

Ed Latek, in order to ease the election days' turmoil, with the aid of Dr. Richard L. Dean and Mr. Alec Lazur, arranged to have a voting machine delivered to the school, for Thursday and Friday.

Latek informed the present Student Council, which is conducting the elections that the machine will arrive at school early Thursday morning.

The voting machine is being provided by Mr. John Krupa of the County Clerk's Office, Crown Point, Indiana.

More Attend Mass In Lenten Season

Lent is a season of repentance. A time when every good Catholic should stop and consider how very important his role is in the Church. During these forty days Christians fast and abstain, in short, this solemn time might be termed a retreat.

There is a threefold purpose to this season. It is a time of instruction, penance, and renewal.

Instruction is easily carried out simply by reading a book that will stimulate your mind and soul. As for penance, this is sometimes misunderstood. True, it is synonymous with self-denial, but this is only part of it. Penance means to have an honest desire for holiness, a change of heart. The third purpose, renewal, is a simple one if the first two are carried out and we students here at Saint Joseph's College have a daily opportunity to fulfill this means. Every day at noon Father Joseph Smolar, C.P.P.S., Dean of Students, offers Holy Mass at Immaculate Conception Church.

Thus far Father has been pleased with the attendance and has stated, "This attendance is proof that we are a growing educational institution. It also shows what an important role religion plays in the everyday lives of students here at St. Joe's."

This is true. However, if we would all search into our own hearts, we would readily admit that participation could be much better. Surely thirty minutes out of a day is not too much time to spend with the One who gave us His life so that we might be saved.

Fine Arts Club Sponsors Field Trip

On Saturday afternoon, April 14, the Fine Arts Club is sponsoring a field trip to the art studio of Adolfo Valeska on Chicago's Near North Side.

Born in Lithuania, Adolfo Valeska studied in Berlin, Paris, and Rome. He established his present studio in 1951 and previously was director of the Vilnius State Museum in Lithuania and head of the painting class at the Ecole des Arts et Metiers in Friburg, Germany.

He works in such fields as stained glass, slab glass, ceramics, mosaics, and frescoes and is currently working on slab glass windows for the chapel at the Senecal Convent in Chicago.

Some of his most recent works include a mural in graphito technique on the elevation of the Art School in Friburg, Germany; a complete remodeling of the Philomena church in Chicago, including a 900 square foot altar mosaic; the interior decorating of the Holy Ghost Church in Chicago and its Convent and Chapel; murals for the District Savings and Loan Association and Chicago Savings and Loan Association. He has also done several other major works in the Midwest.

His works have won many awards in Europe as well as in the United States. Among them are prizes from the International Exhibition of Decorative Arts in Paris and the Chicago Trade Fair.

Those interested in attending this trip should sign up at the Fine Arts Bulletin Board.

Posters Displayed

For the past two weeks posters have been appearing all over the school. There are posters of all sizes and kinds.

Some of the most noticeable posters of this election are: two large letter letters, "ED," hanging over the stairs, "Vote for Vince," illuminated by a revolving colored spotlight in the downstairs lounge, a silhouette of Mary Stokes at the top of the stairs, and a portrait of George Carter near the stairs in the downstairs hall.

There have been many other posters hanging in all possible places throughout the school for Herman Kery, Tom Kuchta, and Julian Priez.

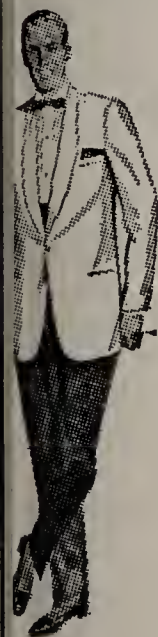

Fine Arts Club To Hold Meeting

The Fine Arts Club will hold a meeting on April 9, 7:30 p.m. in the Room 113. On the agenda will be a discussion of modern art and their trip, and a report on their financial status.

Anyone who has signed up for tickets to see West Side Story are urged to attend as the tickets are available for the assigned date. Future date will be named.

Roving Reporter

In association with last week's survey on what are the principal characteristics desired in a date, we ask this question of our own Center students:

WHAT CHARACTERISTICS DO YOU CONSIDER IN A DATE?

CHRIS CHANDLER, Junior—"I want my dates to be good conversationalists, in possession of a good sense of humor, considerate and polite."

AL STISSER, Frosh—"I want my date to have a good personality, a sense of humor, and ease in conversation. She must also be a fun-loving girl. Her parents are also an important factor."

ERNIE ROTH, Sophomore—"First of all I want a girl to have a well-rounded personality with a respectable background and a good sense of humor. Next I want a girl with good looks, poise, charm, and of the same religious belief."

ROBERTA GABRYS, Frosh—"First of all I want a boy with a good personality. I feel you should know a person before going out with him. A good sense of humor and the same religious beliefs are also important."

TOM MOSER, Frosh—"Somebody who can put up with me—somebody who isn't out to destroy my bachelor instincts within the next 10 years."

BOB TRGOVICH, Senior—"First of all I want a girl with a good personality. Second, a girl that is petite and attractive. Third, someone who accepts me as I am."

MARY LOU SKAFISH, Frosh—"The qualities I prefer in a boy I date are manners, sincerity, a good conversationalist, and a sense of humor all comprised in a pleasing personality."

LIZ SZELESTEY, Sophomore—"First of all I want manners, then intelligence, a good sense of humor, someone with a neat appearance, and one who has the same interests as I."

ROVING REPORTER—"I want a date that always has ready questions and answers so that he can help me with this column."

Thanks..

During the election most of the attention has been focused on the candidates. This is only natural. But we must not forget that no one can be elected without the cooperation of those so-called un-named people that are working behind the scenes.

Undoubtedly you have noticed the posters that are spotted all over the building, urging students to vote for one or the other of the candidates. Some of these posters were made by people campaigning for a certain candidate, but many of them were by three boys who have generously given their time and talents to any of the candidates that needed some extra help on their posters. Our thanks go out to Ernie Roth, Jim Repko and Larry Love who have been a very great help to all of us.

We also want to thank Miss Spuehler, Instructor in fine arts, who has freely given us the use of her art room and art supplies for the campaign.

THANK-YOU THE CANDIDATES

Latek Sponsors Student Social

On Sunday evening, April 1, an informal get-together was held in the downstairs lounge. Sponsored by Ed Latek, candidate for Student Council president, it was an example of the type of regular get-togethers he advocated in his platform.

Students spent the evening dancing and snacking. Refreshments served were soft drinks, pretzels, and potato chips. Approximately 100 students attended.

Monday Vince Chiaro and George Carter, candidates for Student Council president and vice-president respectively, served coffee and cookies in the main hall. Students stopped through the day, serving themselves to the refreshments.

Student Spotlight

President of the junior class, Vince Chiaro is also a member of the Student Council and is active on its social committee. He is president of the Commerce Club and a member of the bowling league.

He has been on the dean's list several times and is now seeking election to the presidency of the Student Council.

Vince spent three semesters at Saint Joseph's College in Rensselaer before transferring to the Calumet Center in January, 1961. He is working for a bachelor of science degree in business management and hopes to obtain his master's degree from either Loyola or DePaul in Chicago. He then plans a teaching career, possibly at St. Joe's.

A Chicago resident all his life, Vince graduated from Mendel Catholic High School in 1959. He belongs to the Gardner Park Athletic Club of Roseland and participates in such sports as football, softball, and volleyball.

Art of 'Make-Up' Demonstrated

Recently the Fine Arts Club of Saint Joseph's College was privileged to have Mr. John Geffert, make-up artist for the Saint John Marian Theatre Guild, give a demonstration on proper application of stage make-up.

Mr. Geffert pointed out the use of two types of make-up, the liquid and the grease paint techniques. To illustrate this demonstration he used Jocelyn Kissela, president of Fine Arts, and Ernie Roth. By using the liquid technique on Jocelyn he was able to make her look between the ages of twenty and thirty. On Ernie he used the grease paint technique which transformed him into an elderly gentleman.

The speaker stated, "I use only Max Factor products in my work for I feel this is the best to work with."

He concluded his demonstration by saying he would be more than willing to teach the art of make-up to interested students.

Mr. Geffert offered his talents for the production 'Blithe Spirit,' and did all of the make-up work for it.

Second Lecture Scheduled In Adult Education

East Chicago—A second series of lectures by John W. Swanke will be given here because of the interest and enthusiasm aroused by the first. Swanke's current series on theology for adults will be followed by a course "Doctrine for Adults."

THE EIGHT WEEK course is open to all. There are no educational requirements, no homework, no exams, no books to buy. "These courses will be informative and practical," Swanke said. The fee is only \$10 for the eight lectures. There is a special two for one rate of \$5 each for a married couple or for two officers of any parish Society registering together, it was announced by Mrs. Joseph Kissela, deanery DCCW president who is in charge of registration.

The lecture series will be the fourth held in East Chicago under the auspices of the Gary Diocesan Adult Education program.

Seymour Doolittle III

One, two, three and four
Who is Seymour voting for?

That's what people have been asking me all week long, concerning the Student Council Elections. Some people must think I have pull around this school. You know, "So goes Seymour, so goes St. Joe's." Well, I can tell you in one short statement that my election preferences are going to remain the same as my true identity, a big secret.

By the way speaking of the elections, I noticed that Jerry Stano has been walking around with a big smile on his face lately. Well, I have just determined the cause of Jerry's grin. No matter how you look at it President Stano is assured of getting at least three of his Commerce Club members elected to offices on the Council. Ed Latek, Vince Chiaro, George Carter, Mary Stokes, Tom Kuckta, and Julian Perez are all majoring in some form of business and are members of the Commerce Club. Herman Jerry who is running against George Carter for Vice-President is the only non-conformist. Hermie is a political science major. You must spark initiative Mr. Stano.

Now that spring is here all you so-called "Casanova's" can become real "movers." Of course, the fellows with the convertibles have the advantage, but don't underestimate those with hardtops and sedans. I guess they feel they don't have to show off their charms.

The other night I heard the song "Soldier Boy" on the radio and it reminded me of a comment that I overheard Bill O'Malley make to Arnie Panozzo and Jim Paskwietz. It seems that "Wild Bill" told the fellows that he would never have to go into the armed services. Naturally they asked him why, and he answered, "because my girl says so". You've got quite a girl there Bill, I happen to know her first name is Rosemary, but unless her last name is KENNEDY I think that story is a little far-fetched.

Is there any truth to the rumor that "Blithe Spirit" will be presented down at St. Joe's Campus? I wish some one would clue me in on the details.

Well, congratulations to the almost newly elected officers of the Student Council and I'll see you next week. By for now.

Seymour III

CAMPAIGN MANAGER, Ernie Roth, plots out strategy for his campaignee, Herman Jerry who is running for vice-president of the Student Council.

Equal Time For Vince

On Wednesday, March 28, in political science 22-A class, Ed Latek, candidate for Student Council president, gave a political speech as a living example of what is currently being studied in class. His opponent, Vince Chiaro, later asked Dr. Dean, Assistant Professor of speech, in whose class the speech was given for "equal time." Dr. Dean granted him the time, and Vince spoke Friday, March 30.

Rather than outlining his own platform, Chiaro offered a "constructive criticism" of Latek's platform. He criticized Latek's program for new activities, saying that the Calumet Center is neither big enough nor ready for activities of the type outlined by Latek.

Latek then took the floor and defended his platform saying the Student Council should not stand still, but should move with the growing school. Ed stated that he thought the Council should become more dynamic, and that nothing would be accomplished if the Council
